APPLICANT PRE-EMPLOYMENT DRUG-SCREENING ACKNOWLEDGMENT FORM

In order to assure the health and safety of our employees and clients, Lee & Beulah Moor Children's Home (LBMCH) reserves the right to perform pre-employment illegal drug or controlled substance screening of selected applicants. Therefore, an applicant being considered for hire must undergo and pass a drug screening test as a condition of employment. A copy of the *LBMCH Alcohol and Controlled Substance* policy is available from the HR Department upon request.

Selected applicants must complete a drug screening test within 24 hours after an offer is extended. Failing to test within 24 hours will be cause to rescind the offer of employment. The selected applicant must go to the Human Resources office to obtain the necessary forms for a drug screening. Under no circumstances will an applicant be allowed to begin work prior to passing the mandatory drug screening.

The actual drug screening will be performed at the drug screening facility. Drug screening results are returned to the Human Resources, usually within 24 to 48 hours. Human Resources will inform the hiring department if the selected applicant is approved for employment.

Selected applicants will be given the opportunity to report confidentially the use of prescription or non-prescription medication. Certain prescriptions and over-the-counter medications may affect test results so it is important to disclose information regarding the medication the applicant is using.

An applicant with a confirmed positive drug test result has the right to contest or explain that result. This challenge must be made within 48 hours after notification of the positive test result. It shall be the applicant's responsibility to provide all necessary documentation to explain the cause of the positive test result (i.e., doctor's report, signed prescription, etc.).

Applicants notified of confirmed positive test results have the right to request a re-test of their original specimens. However, arrangements and payment for the re-test are the responsibility of the applicant. An applicant has the right to consult the testing laboratory for technical information regarding prescription and non-prescription medication. The Human Resource office will provide the applicant with the information required for requesting a specimen re-test.

All documentation will be kept confidential. An applicant who fails the drug test may reapply for employment consideration after a period of one year.
