---

### JOB DESCRIPTION

**JOB TITLE:** Child Care Worker (CCW)

**REVISED DATE:** June 2023

**FLSA STATUS:** Professional; Exempt

**REPORTS TO:** Senior Administrator of Residential Services

#### **Job Summary**

The Child Care Worker works under the supervision of the Senior Administrator of Residential Services (SARS). The CCW relies on experience, training and the exercise of judgment in accomplishing the goals and objectives in the service plan for each child. Responsible for the daily supervision, care, guidance, and training of up to eight (8) children/adolescents in a cottage. Responsible for teaching daily living skills, problem management, and team relationships to the clients in care. Responsible for cottage management, maintaining daily schedules, being aware of the location of each child/adolescent at all times, and ensuring the safety and health needs for each child/adolescent are met. Responsible for maintaining an up-to-date awareness of the latest techniques in child care. Responsible for following all policies and procedures of Lee & Beulah Moor Children's Home (LBMCH) as well as all Texas Health & Human Services (THHS) licensing standards.

The Child Care Worker must have the emotional maturity and judgment necessary to appropriately supervise up to eight (8) children/adolescents whose behavior often deviates from what may be appropriate. The CCW should always utilize an approach in carrying out their responsibilities and duties which is consistent with our mission, core beliefs and values, including respect for self and others, patience, forgiveness, understanding, high frustration tolerance, positive relationship building skills, positive role modeling, honesty, and good communication skills. Personal moral and ethical conduct should be above reproach and consistent with those qualities required by LBMCH.

## **Specific Duties and Responsibilities**

- 1. Supervision**—Responsible for daily supervision of up to eight (8) children/adolescents in a cottage. Must know the whereabouts of each child and in what activity he/she is engaged in. Assignments to supervise activities outside the cottage are likely to occur. Must be familiar with and act in accordance with LBMCH campus policies and procedures, and the Texas Health & Human Services (THHS) standards. Must be able to intervene in situations where the child/adolescent's best interest or safety is at risk, and take appropriate steps to ensure order, management, and safety when necessary or indicated. Monitors and assists the reception and integration process of new children into the cottage.
- 2. Teaching of Daily Living Skills**—Identifies and establishes routines in which an individual child/adolescent can participate in order to learn daily living tasks. Helps children/adolescents identify and describe personal goals. Engages in conversations/dialogue and encourages participation in cottage projects with the children/adolescents to learn new skills and abilities. Actively participates with children/adolescents in work and play in order to set a good example and role model.
- 3. Problem Management**—Identifies potential crises or problem situations and makes plans to help child resolve them, and seeks advice or support from the team or administrator. Must be able to respond to verbal abuse or anger in a calm and deliberate manner and also to be able to execute our crisis behavioral intervention program (Satori Alternatives to Managing Aggression – SAMA). Responds to physically aggressive or destructive behavior with de-escalation techniques or by calling 911. Avoids needless arguments through stated alternatives or natural consequences. Maintains client confidentiality.
- 4. Team Relationships**—Is expected to participate as a member of the team that plans for an individual child/adolescent. Must be willing to change or improve child care techniques in response to the supervisor's and team's suggestions/expectations. Actively seeks resolution of differences through appropriate channels. Must be willing to carry out team plans and/or defined plans of service. Is expected to conform to and participate completely in the LBMCH programs and procedures as directed.
- 5. Cottage Management**—Responsible for the overall appearance, cleanliness and management of the assigned cottage. Works cooperatively with the department administrator and other staff to order food, clothing, and supplies; conducts inventories; maintains sufficient and functional supplies of linens and kitchen items. Maintains accurate records and logs of medications, significant events, runaways, and daily logs, etc. Maintains and issues all internal and external medications in accordance with licensing standards, regulations and policies. Regularly prepares breakfast, weekend meals occasionally and evening snacks. All meal preparation is required according to LBMCH menus. Child Care Workers may be encouraged to

provide additional duties/functions outside of their cottage, i.e., vehicle committee, fun committee, safety committee and/or recruiting and outreach committee.

- 6. Policies and Procedures**—Accurately and consistently follows LBMCH policies and procedures and THHS standards.
- 7. Physical Demands**—The Child Care Worker must be in good physical, mental, and emotional health. CCW is responsible for the supervision of the children/adolescents, which includes physical ability to supervise children/adolescents on a daily basis in varying environments, i.e., indoor, outdoor games, camping and hiking activities, etc. Manages and performs routine household cleaning duties. At times, be able to consecutively maintain late hours and handle early morning responsibilities. Must be able to safely drive 10 passenger van and regularly provide transportation duties. Required to lift and handle food cartons (up to 25 lbs.) assigned to each cottage and distributed weekly by the commissary.
- 8. Working Conditions**—Child Care Workers provide 24-hour duty care. The position is live-in while on duty. Living quarters and meals are provided in the assigned cottage. Child Care Workers are responsible for the direct supervision of any child/adolescent that is in the cottage group at any time. Some free time may be available during the day (for example, when children/adolescents are in school or engaged in other activities) with permission obtained from your supervisor, senior administrator or CEO. However, child care worker staff are expected to be present and available on campus at all times unless they are granted explicit permission from their supervisor, senior administrator or CEO to leave the campus. Most duties are performed in the cottage or on campus, however, the position requires contacts with the community and participation on out-of-town trips that require overnight stays.  
The Child Care Worker's work schedule will be determined by the Senior Administrator of Residential Services. Current work schedules are five (5) days on duty and two (2) days off duty. Extra work days may be required. Off-duty time is the Child Care Worker's own personal time. Off-duty living quarters and meals are not provided. The use of agency vehicles is not permitted during time off.
- 9. Other Duties**—Child Care Worker staff may be assigned additional responsibilities of cottage supervision on a temporary or permanent basis by the Senior Administrator of Residential Services or the CEO based on the needs of LBMCH.

**Education:**

Depending on the duties of the specific job assignment and additional requirements, the position may require specialized and/or additional education, experience and/or licensure/certification not included in the stated requirements. When applicable, equivalent substitutions may be allowed for deficiencies in experience or education. Possession of a four-year degree (Bachelor's) in field of social work or graduation from an accredited college/university with specialization in such areas as human services, family and child

development, education, or related behavioral sciences, and one (1) year of experience working with children preferred.
